

CUSTOM FAN SHROUD TEMPLATE

(shroud mounted to radiator for example)

Instructions:

On the above drawing, sketch the size & shape (including dimensions) of the shroud you are requesting. It is important to be as specific & detailed as possible. Our fabricators will receive a copy of this page to create your shroud so use the extra space provided to include notes, if necessary.

I (the Customer) do hereby acknowledge that Griffin Thermal Products, Inc., its subsidiaries & affiliates are to build the shroud specified by the above drawing. It is my sole responsibility to determine that the shroud's design meets all specifications of the vehicle's engine for its fit and application. GTP disclaims any responsibility whatsoever for the shroud design contained in the above drawing. GTP is not responsible for mistakes or omissions in the above drawing and will not replace any shroud that is built to the specifications of the above drawing.

To Order Call: 1-800-722-3723

Or (864) 845-5000

Fax: (864) 845-5001

www.griffinrad.com

Please Note: Fan holes will not be cut out (customers cut them out themselves). Electric cooling fans are available, call & speak to a sales representative for options (fans are not included unless specified). The radiator & shroud portrayed above are examples & may differ from your actual radiator or shroud.
